TRADITION OF EXCELLENCE

WHY CHOOSE ST. MARY OF THE ASSUMPTION?

It is the mission of St. Mary of the Assumption School to assist the parent as primary educator of his or her children by providing a quality Catholic education to all enrolled. Further, it is our goal to prepare students to respond in faith to Jesus Christ and understand His message—to view human existence in terms of divinely appointed goals, to follow moral standards of conduct, and to achieve integrity of character.

PRE-KINDERGARTEN

Pre-Kindergarten is an essential year to a child's development and future success in school. At St. Mary's, we strive to provide children with an academically challenging curriculum through hands-on activities and coursework developmentally appropriate for the 4-5 year age group.

FACILITIES/STRUCTURE

The Pre-Kindergarten Program is spread over three classrooms, making it ideal for separation into smaller groups. These small groups allow each student's needs to be met more directly, and also offer an opportunity to challenge students academically with extended coursework and advanced skill development.

Outside of our three classrooms, the Pre-K Program takes full advantage of the opportunities available to us throughout the school building. We attend the same "specials" as do other students in the school, including Art, P.E., Music, Library, and Computers. We also attend Mass every Friday morning, which we see as an important opportunity to come together as a school and celebrate our community of faith here at St. Mary's.

PRE-K TUITION (2011-2012)
