**September 8 (Feast) Birth of Mary**

"Beginning with Mary's unique cooperation with the working of the Holy Spirit, the Churches developed their prayer to the holy Mother of God, centering it on the Person of Christ manifested in His mysteries. In countless hymns and antiphons expressing this prayer, two movements usually alternate with one another: the first "magnifies" the Lord for the "great things" He did for His lowly servant and through her for all human beings. The second entrusts the supplications and praises of the children of God to the Mother of Jesus, because she now knows the humanity which, in her, the Son of God espoused." Catechism of the Catholic Church: 2675

**ARRIVAL & DISMISSAL**

**Arrival 7:45-8:10\* Dismissal 2:45-3:00**

We continue to monitor both arrival and dismissal closely. We have made only one major change this far (kindergarteners now dismiss from the upper lot, just like last year). For Arrival we are finding that a double lane of cars exiting (left lane turns left, right lane turns right) is helpful. \*We are hopeful that we will continue to improve in efficiency and have all cars unloaded by 8:10 AM. For Dismissal there are issues unique to lower and upper lots. In general, if some parents could voluntarily delay their arrival until...say around...2:53 or 2:54 or 2:55 it would be helpful and if pre-k and kindergarten parents could arrive first in the upper lot, we will not delay loading your children and allowing you to depart as soon as you have your children/carpool. Otherwise, please continue to be patient and please consider voluntarily delaying your afternoon arrival time.
